One World, One 2cardphone

As an exhibitor in Hong Kong, now you can lease a 3G data card for internet surfing inside exhibition hall or even at your hotel at a low cost. Travelling in Hong Kong, you may also need a 2cardphone keeping both your HK SIM and origin SIM working simultaneously to save roaming expense. Besides, booking your hotel ASNS possible since the hotels here in April and May will be very tight due to the exhibition peak season.

We provide:

- * Hong Kong, China Mobile Package
- * Dual SIM Travel Phone
- * Hong Kong, China SIM
- * 3G USB Data Card rental
- * Hong Kong shopping Guide
- * Hong Kong Hotel Booking
